RELEASE 98-1 ADPICS INTER-AGENCY VOUCHER

In prior correspondence and documentation related to the new ADPICS Inter-Agency Voucher process, the new "doc/doc type" was "AV/AV." That is incorrect. The correct "doc/doc type" is "VC/AV." MAIN has used an automated tool to change the "doc/doc types" that were entered as "AV/AV" on the PCHL7651 to "VC/AV."
